

Dear industry partner,

***The Building and Concrete Restoration Association of Ontario (B&CRAO)*** was founded in 1985 and represents over 100 of Ontario's leading contractors, material suppliers, manufacturers, consultants, and engineering firms with expertise in the field of building and concrete repair.

B&CRAO hosts regular events and seminars with industry professionals, government decision makers, and legal experts on a variety of topics. Membership appreciation events including annual ski days, Blue Jays games, and golf tournaments are also held to encourage member engagement and networking.

#### ***What does a B&CRAO membership offer?***

##### **Learn the industry's technical developments and trends**

Monthly newsletters keep members informed of the Association's activities, seminars, and changes in the industry.

##### **Contribute to policy and regulatory changes**

B&CRAO advocates to various levels of government on legislative and regulatory issues of concern to the industry. Members have opportunities to directly impact those activities and hear first-hand on latest developments.

##### **Establish new business connections and opportunities**

B&CRAO encourages networking through its events. Members often find new opportunities for collaboration and partnership on projects to expand their businesses.
